HP Accessories Brochure Fall 2012

Limitless creativity

Do it all with HP accessories

HP accessories give you endless opportunities

In today's world, you need to be versatile, dependable, mobile, and responsive. So your technology should be, too. HP accessories make technology work for you by helping you stay connected to your content wherever, whenever, and however you want.

Discover a comprehensive range of stylish, practical HP accessories

Discover HP's comprehensive and robust portfolio of consumer and commercial accessories designed to meet your needs, budget, and lifestyle. Choose from Wi-Fi mice that let you truly roam, carrying cases that protect against impacts and accidental drops, docking solutions that quickly and easily connect to your peripherals, and much more.

All HP accessories are backed by our industry-leading service and support. Select from a variety of options, such as HP Total Care, which includes the extensive range of HP Care Pack Services.

This brochure features both consumer and commercial accessories. Please note that the models available in retail are followed by the word "**Retail**".

- Interior of exquisite blue color to find essential items quickly and easily

AT889AA 39.6 cm (15.6")

Scroll away, your way

Precision, comfort, and high-end design from HP

Now there are mice that work and play exactly the way you do. HP mice offer groundbreaking, inspiring design choices coupled with enhanced efficiency attributes. Advanced features such as full-size, soft-coated, and sculpted hand and wrist rests provide superior, all-day comfort—bolstering productivity and workflow.

High-tech mice

HP Wireless Mouse X6000

Works on virtually all surfaces, including glass

- Time-saving productivity: Hyper-fast scrolling races, not stutters, through documents, spreadsheets, and more.
- Exclusive, surface-friendly laser: HP Exact Track Technology sees invisible details and works on 99% of surfaces, including glass.[1]
- Masterful, modern design with sculpted shape: It features striking lines, smooth edges, sweeping contours, and a spun-aluminum metal top surface.

H2L62AA#ABB

Retail

HP Wireless Mouse X5500

Distinguished. Masterful. Futuristic.

- The inspired sculpture is so breathtaking it belongs in a modern art museum.
- Efficient, powerful productivity: Hyper-fast scrolling speeds through information, laser sensor works on most surfaces,[2] and five industrious buttons achieve more.
- Impressive 24-month battery life:[3] It can last an amazing two years, saves money, and keeps material out of the landfill.

H2W15AA#ABB

Retail

HP SpacePilot Pro USB 3D Input Device

Speed up design work with 3D control

- Take advantage of refined sensing technology.
- 21 speed keys increase efficiency.
- Intuitively push, pull, tilt, or twist the 3D motion controller cap.
- Soft-coated, sculpted wrist rest offers perfect comfort and precise control.

WH343AA

HP Wireless Mouse X4500

Idolized, visionary design

- The inspired sculpture is so breathtaking it belongs in a modern art museum.
- Ultimate 30-month battery life:[3] It can last an amazing two-and-a-half years, saves money, and keeps material out of the landfill.
- Indulgent, sought-after comfort: Perfect balance, expert proportions, and flared edges give this flawless mouse a custom-made feel.

Comfort mice: connectivity, comfort, and style

These comfortable, responsive, and truly stylish mice work on a wide variety of surfaces, for precise tracking—wherever you happen to be.

HP USB Laser Mice

Laser tracking in a simple, elegant design

- High-performance laser accuracy
- No ball or moving parts for improved durability
- Contoured shape that suits either left- or right-handed users, with a wheel that also functions as a third button

QY778AA/AT HP USB 1,000 dpi Laser Mouse
H4B81AA HP USB 3-Button Laser Mouse

HP Optical Scroll Mice

Crisp motion without a mouse pad, ball, or roller

- It features an 800 dpi resolution optical sensor.
- The latest optical sensing technology records precise motion over a variety of surfaces.
- Optical tracking reduces sticking and the need for constant cleaning.
- Smooth, contoured shape fits both left- and right-handed users.

QY777AA/AT HP USB Optical Scroll Mouse
QY775AA/AT HP PS/2 Optical Scroll Mouse

HP USB Optical 3-Button Mouse

Comfort in a simple, elegant, and contoured design

- Improves precision by using optical tracking
- Provides more durability and easier maintenance by eliminating moving parts
- Fits either hand

DY651A

HP USB 3-Button Optical Mouse

- Symmetrical design offers comfortable use for both left- and right-handers.
- Because there's no ball, say goodbye to cleaning.

Interact with content throughout your home

A new standard in HD wireless

Share photos on the big screen, watch HD and 3D movies, and play PC games on your TV. HP Wireless Home Digital Interface (WHDI) PC adapter streams breathtaking high-definition 1080p content from your PC to the biggest screen in your home in Blu-ray quality HD—also supports Blu-ray protected content. You'll wonder how you ever lived without it!

All products on pages 24 and 25 are available in retail.

HP Wireless TV Connect

See your PC on your TV, wire-free!

- No wires. No delays. No hassles. Wirelessly stream HD 1080p content from your PC to the biggest screen in your home. Watch movies. Play games. Update Facebook[1] and Twitter. Surf YouTube. Web chat. Share photos.
- In-home 3D thrills: Enjoy the ultimate 3D TV experience right in your living room.
- There's no software to install, just plug-and-play.
- Stream Full HD 1080p video at 30 FPS, supports 7.1 surround sound.
- Get 10 m range from any place in the room.
- Experience very low latency for fast gaming response.

QE389AA#ABB

HP Wireless Audio

Turns any PC[2] into a fully integrated wireless audio system

- Stream the same music in up to four stereo audio channels up to 30 meters away.
- Connect in a few simple steps with software so intuitive, it automatically "sees" your speakers and links them together. That's it. Pair it and forget it.
- Take advantage of available USB port for PCs; connect with one of the four available connectors for audio system needs.

QF299AA#ABB

[1] Three-year limited warranty. Battery cycles is the total number of full charge/discharge cycles a battery yields before it can no longer hold a useful amount of charge. For more information visit: **http://h20000.www2.hp.com/bizsupport/TechSupport/Document.jsp?lang=en&cc=us&objectID=c00596784&jumpid=reg_R1002_USEN**

Secondary Slice batteries

Continuously charge your notebook while optimizing battery power for increased productivity

- Designed for ultra-mobile platform users with the greatest degree of mobility and functionality in mind.
- Significantly extend platform battery life and gain freedom to work anywhere.
- Stay productive longer without adding significant size and weight.
- On select models, you don't need to remove the battery before docking.

HP BA06XL Long Life Battery

Additional battery life for maximum productivity anywhere

- Secondary Extended Life Slice battery
- A thin and light 60 WHr battery that provides approximately 20 hours of platform battery life (combined with the primary system battery)[1]
- Charges by connecting it to the notebook

H4Q48AA

HP Ultra-Slim Battery

- Ideal for select ultra-mobile notebook users who require all-day computing power away from power outlets
- Provides convenience of docking with battery attached for select platforms

RX932AA

Secondary batteries

Great solution for the "corridor warrior" who requires extra battery life for all-day computing

HP ST09 Extended Life Notebook Battery

- Allows you to stay productive longer without adding significant weight
- Extends the platform battery life by adding extra hours of capacity[1]
- Offers the convenience of charging the battery while docked

QK639AA
QK639ET

HP BB09 Ultra Extended Life Notebook Battery

- All-day computing and increased productivity wherever you are
- Allows for the convenience of charging the battery with an A/C adapter plugged into the built-in Integrated A/C Power Port when it is not in use
- Highest-capacity extended life battery available from HP
- Up to a 36-hour runtime achieved on an optimized HP EliteBook 8470p Notebook PC[2]

QK640AA
QK640ET

[1]Battery life will vary depending on the product configuration, product model, and applications loaded on the product, power management settings of the product, and the product features used. As with all batteries, the maximum capacity of any battery will decrease with time and usage.

[2]Up to 36 hours requires specific HP EliteBook 8470p platform configuration. Battery life will vary depending on the product model, configuration, loaded applications, features, wireless functionality, and power management settings. The maximum capacity of the battery will decrease with time and usage.

Power and batteries

HP 10-Bay Battery Charger

Charges up to 10 batteries simultaneously

- Mix and match adapters to charge up to five different types of batteries in the same station.
- Help ensure charging integrity to each battery with self-adjusting current and smart power distribution.
- Integrated power source needs no separate adapter, and ships with a power cord.

H2W28AA#xxx

HP 3-Wire AC Cord - 1.8 m (6ft)

For those times when you require a choice of power localization

- Designed to fit HP Notebook AC Adapters
- Grounded (earthed) cord for increased protection
- Available in a number of country variants to support other country power-related localizations

Expansive connectivity

a true desktop experience

HP Docking solutions easily connect you to your HP Business Notebook PC. They also enable expansive connectivity to a wide range of peripherals. Create an ideal desktop computing environment using convenient, comfort-focused docking stations and stands that provide port replication, cable management, and future expandability.

HP 120W and 230W Advanced Docking Stations

Co-designed and developed with the notebook for true port replication

- Offers four USB 3.0 and two USB 2.0 ports, enabling you to connect instantly to the USB peripherals you use most[1]
- Transfer files much faster than ever before with USB 3.0[2]
- Features two DisplayPort 1.2 video connectors, and VGA and DVI ports, giving you multiple choices for high-end digital video output

A7E36AA#xxx 120W

A7E38AA#xxx 230W

HP 90W and 230W Docking Stations

Desktop convenience. Full-port replication. Space-saving design.

- Easy docking system with full port replication and cable management
- Four USB 3.0 ports to connect more peripherals and transfer files quickly for enhanced productivity[1]
- Optional integrated HP Docking Station Cable Lock to secure docking station and notebook with one lock

A7E32AA#xxx 90W

A7E34AA#xxx 230W

HP UltraSlim Docking Station

Ultrathin connectivity designed as sleek as your notebook

- Designed exclusively for UltraSlim HP EliteBook Notebooks.
- Expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.
- Four USB 3.0 ports offer high-speed connectivity to the USB devices you use most.[1]

B9C87AA#xxx

HP 2740 Docking Station

Dock while in the office or on the go

- Easy docking system provides port replication and cable management in one location
- Four USB 2.0, DisplayPort, and eSATA ports for enhanced productivity
- DisplayPort and VGA inputs for legacy and future compatibility with your choice of video devices

WA995AA#xxx

HP 2570p Docking Station

Port replication for one of the smallest and lightest HP Business Notebooks

- Three USB 3.0 and one USB 2.0, DisplayPort 1.2, and eSATA ports for enhanced productivity[1]
- DisplayPort and VGA inputs for legacy and future compatibility with your choice of video devices
- Ethernet/LAN port so you can stay online

A9B77AA#xxx

[1]Your notebook, docking station, cable, and monitor must all support USB 3.0 and DisplayPort 1.2 to get the advanced benefits that these technologies provide. If one of the devices does not support these technologies, the system will only support USB 2.0 and/or DisplayPort 1.1 functionality.
[2]SuperSpeed USB 3.0 provides the highest standard in USB with a design data rate of five Gbps.

Create an ideal desktop environment

Enable expandability for the future with convenient, easy-to-use HP port replicators as well as an affordable, compact travel hub. HP USB Port Replicators are compatible with all notebooks that have a USB 2.0 or 3.0 port.

HP 3005pr USB 3.0 Port Replicator

Universal USB 3.0 connectivity to any notebook with a faster transfer rate

- Universal USB connectivity—no need to reboot when you connect or disconnect
- Maximum connectivity with two USB 3.0 and four USB 2.0 ports; microphone, headphone, Gigabit Ethernet, HDMI, and DisplayPort[1]
- Faster file transfer rate with USB 3.0[2]

H1L08AA#xxx

Retail

HP 2005pr USB 2.0 Port Replicator

Universal USB connectivity to any notebook

- No need to reboot when you connect or disconnect
- Installs quickly and easily with flash memory software
- Ports include four USB 2.0, microphone, headphone, Ethernet, VGA, and HDMI

H1L07AA#xxx

Retail

HP Travel Hub with LAN

Affordable, compact hub to go anywhere

- Fits easily into carrying case, backpack, or pocket
- Plugs directly into notebook with built-in USB 2.0 cable
- Tuck cable safely into storage slot on bottom when not in use

Satisfy a wide variety of workspace requirements.

HP Display and Notebook Stand

- Turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display).
- Accommodate a large range of notebook sizes, notebooks that can be connected to a docking station, or notebooks lacking a docking connector.

AW662AA#AC3

HP Adjustable Dual Monitor Stand

- Use two displays to maximize productivity and optimize efficiency.
- Rotate display to landscape or portrait orientation.
- Depth-, height-, tilt-, and angle-adjustable features let you track multiple applications and information sources simultaneously and easily share your work.

AW664AA#AC3

HP Adjustable Display Stand

- Support up to a 61 cm (24") display with this dual-hinged, smooth-motion display stand that enables greater depth, height, and tilt adjustment for maximum comfort.
- Adaptable design accommodates notebooks connected to a docking station or without a docking connector.

AW663AA#AC3

HP Dual Hinge Notebook Stand

- Dual-hinged, smooth-motion display stand allows for greater distance, height, and tilt adjustment for maximum comfort.
- Adaptable design accommodates notebooks connected to a docking station and notebooks without a docking connector.
- Integrated base rollers have rotation capabilities.

AW661AA#AC3

HP Single Monitor Arm

- Space-saving design frees up valuable desk space.
- Adjust to your height, posture, and work preference.
- Support up to one 61 cm (24") diagonal display.

BT861AA/AT

HP Tower Stands

Free up valuable desk space and increase productivity with tower stands.

VN568AA HP USDT Tower Stand

VN569AA HP SFF Tower Stand

HP LCD Monitor Stand

Stack your notebook, docking station, and monitor.

- Compact design supports up to 61 cm (24") diagonal LCD monitor up to 11.4 kg (25 pounds).
- Open-sided design allows easy access to frequently used bays, slots, and ports on the docking station.
- Sliding tray enables easy positioning of the notebook and docking station.

QM196AA

HP Height Adjustable and Reclining Stand

- Fully recline the All-in-One as well as raise and lower the screen.
- Create a single or multi-user all-in-one environment that complements your desktop, kiosk, or lobby in the most space-constrained environments.
- Use an easy-to-attach, industry-standard VESA mounting bracket.
- Bring your display into perfect view with a wide range of high and low tilt positions.

C1N43AA

HP LCD Monitor Quick Release Mount

Mount any combination of devices that are compatible with 100 mm VESA Mounting Interface Standard.

EM870AA/AT

HP Integrated Work Center Stand for USDT

- Attach a 43.2 cm (17") or 55.9 cm (22") diagonal LCD monitor to an HP Business PC Ultra Slim Desktop (USDT) or HP Thin Client on a single stand.
- All-in-One form factor is ideal for space-constrained work environments.
- Gain monitor height adjustability.

LH526AA/AT

HP Integrated Work Center for SFF

Space-saving design frees up valuable desk space.

- Adjust to your height, posture, and work preference.
- Position wherever it is most convenient on the desk.
- Support up to one 61 cm (24") diagonal display.

QP897AA/AT

Keep your work under lock and key.

No need to worry about prying eyes

This unique HP built-to-fit solution ensures confidential business data, personal information, and financial records are visible only to the person sitting directly in front of the notebook display.

HP Display Privacy Filters

QA216AA 31.8 cm (12.5")
AU100AA 35.6 cm (14")
AU103AA#AC3 39.6 cm (15.6")

HP Express Card Reader

- Enhances the security of your e-commerce transactions over public and private networks
- Uses digital signatures and certificates to enhance transaction security
- Helps reduce the costs associated with managing corporate networks
- Based on industry standards: ISO 7816 Class A and AB, Microsoft® PC/SC, and PKCS#11 compliant

AJ451AA

HP Solenoid Lock and Hood Sensors

- Protect Convertible Mini Tower desktops or Small Form Factor desktops with these specially designed Solenoid Cover Locks that can be turned on or off using software
- Protect your desktop from unauthorized interference or theft

DE618A (CMT)
BP428AA (SFF)

HP Business PC Security Lock Kit

- Protects your HP Business PC from tampering or theft in public locations by locking-down peripherals such as mice, keyboards, monitors, or USB security devices
- Prevents the removal of the PC chassis cover

PV606AA

HP Docking Station Cable Lock

Dramatically simpler to use than previous locks

- Delivers enhanced security
- Offers the ability to lock your docking station only or notebook and docking station together[1]

AU656AA#AC3

HP Keyed Cable Locks

Secure your valuable IT hardware.

- Offer 1.83 m (6.00') vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock
- Feature a push-button locking mechanism and unique key (including a spare)
- Swivel and adjust the cable 360 degrees

BV411AA HP Keyed Notebook Cable Lock
H4D73AA HP UltraSlim Keyed Cable Lock

HP Combination Cable Lock

- Offers a 1.98 m (6.50') cut-resistant galvanized aircraft-grade steel cable that loops around any secure object and easily attaches to any device such as a notebook or docking station with an industry-standard lock slot

AY475AA#AC3

HP SFF Wall Mount/ Security Sleeve

- Bracket helps to free up valuable space on your desktop.
- Mount your PC on a wall or beneath your desk for enhanced security and convenience.

VN570AA

HP Chassis Security Kit

- Blank optical bay security blocks the removal of computer components (memory, hard drive) from the chassis.
- Lock computer power supply so computer components cannot be disabled.
- Help prevent removal/breakage by locking computer front bezel.

Brighter graphics for brilliant work

HP graphic cards and video adapters are perfect for those who are looking to improve their everyday business PC experience with better graphics and excellent visual display quality. These graphic cards and adapters offer plenty of memory, speed, processing, connectivity, and display options—to boost productivity, enhance performance, multitask across applications, and much more.

AMD FirePro™ V7900 2 GB Graphic Card

Incredible performance, superb visual quality

- Outstanding multi-display capabilities all in a single-slot solution
- Excellent for professionals who work with advanced visualization, complex models, and large data sets
- Supports four independent displays with AMD Eyefinity Technology

LS993AA/AT

AMD Radeon™ HD 6350 512 MB DH PCIe x16 Graphic Card

Low-profile graphic card

- Supports dual display video output through DMS-59 connector
- Avoids the need to share PC system memory with 512 MB of DDR3 dedicated on-board graphics frame buffer memory

QK638AA

AMD FirePro™ V5900 2 GB Graphic Card

Remarkable performance in a single slot solution

- Perfect for professionals working with a broad range of applications, moderately complex models and datasets, and advanced visual effects
- Supports three independent displays with AMD Eyefinity Technology
- Ultra-high geometry performance with GeometryBoost Technology

LS992AA/AT

AMD Radeon™ HD 7450 DP 1 GB DH PCIe x16 Graphic Card

Stable 2D and advanced 3D graphics performance

- Perfect for small business users engaging in web conferencing or video or photo editing, while improving everyday business PC experience with better graphics and excellent visual display quality
- Flexibility for new applications and enhanced performance

B1R44AA

AMD FirePro™ V3900 1 GB Graphic Card

Outstanding performance for the entry-level market

- Ideally suited for CAD/CAM and DCC (digital content creation) workflows that use small- to medium-sized datasets and require excellent 3D viewport performance at low prices
- Parallel processing architecture with 480 stream processors

A6R69AA/AT

AMD Radeon™ HD 6570 DP 1 GB PCIe x16 Graphic Card

Supports three display connections

- Eliminates the need to share PC system memory with 1 GB of DDR3 dedicated on-board graphics frame buffer memory
- Features the latest AMD GPU with DVXA support
- Allows you to run multiple displays from a single graphics board and expand your field of view with AMD Eyefinity Technology

QP027AA/AT

AMD FirePro™ V4900 1 GB Graphic Card

Strong performance and reliability

- Delivers features that professionals working with medium to large models have come to expect
- Powered by a new generation GPU, backed by 480 stream processors and 1 GB of blazing-fast GDDR5 memory

A3J92AA/AT

NVIDIA GeForce GT 630 2 GB Graphic Card

Supports NVIDIA surround technology

- Unprecedented flexibility for new applications and enhanced performance
- Runs multiple displays from a single graphics card
- Full 16 lane PCIe Generation 3-bus support with peak bandwidth support

B4J92AA/AT

NVIDIA NVS 300 PCIe x16 VGA 512 MB Graphic Cards

Next-generation multi-display capabilities for professional applications

- Enhance system performance with these low-profile, dual-head, and GPU-computing ready graphic cards
- View your work on two monitors with nView multi-display software and create up to 32 individual desktops
- Compatible with all major financial NLE and EDA applications

BV456AA For Desktop PCs

XP612AA For Workstations

NVIDIA Quadro NVS 450 512 MB PCIe Graphic Card

Maximum screen real estate, enhanced productivity

- View work on one to four monitors with nView multi-display software.
- Dual 350-MHz RAMDACs deliver crystal-clear images.
- Dual TMDS transmitters support the latest flat-panel displays.

FH519AA

NVIDIA NVS 310 512 MB Graphic Card

Ideal for your small form factor business PC

- Supports up to two displays
- Improves your graphics experience with PCI Express x16 graphics technology in a low-profile card
- Offers 512 MB of ultrafast DDR3 memory

A7U59AA/AT

NVIDIA Tesla C2075 Compute Processor

Makes supercomputing available to everyone

- Features many HPC capabilities including ECC memory for uncompromised accuracy and reliability, an L1/L2 cache for improved bandwidth and data sharing, larger dedicated compute memory, and support for C++
- Delivers performance equivalent to a CPU-only system at 1/10th the cost and 1/20th the power consumption

QB035AA

Graphics and video adapters

NVIDIA Quadro 600 1 GB Graphic Card

- Newest entry-level professional graphics solution
- Delivers maximum productivity and flexibility for engineers and designers

WS093AA/ET

NVIDIA Quadro 2000 1 GB Graphic Card

- Based on Fermi architecture
- Maximizes productivity for engineers and designers by up to five times

WS094AA/ET

NVIDIA Quadro 2000D 1 GB Graphic Card

- PCI Express 2 low-profile form factor accelerated 3D graphics add-in card based on the latest GPU architecture from NVIDIA

A9C88AA

NVIDIA Quadro 4000 2 GB Graphic Card

- Breakthrough NVIDIA CUDA parallel computing architecture, code named Fermi, tightly integrates advanced visualization and compute features.

WS095AA/ET

NVIDIA Quadro 5000 2.5 GB Graphic Card

- Transforms your entire workflow with the first professional graphics solution to integrate high-performance computing with advanced visualization

WS096AA

NVIDIA Quadro 6000 6 GB Graphic Card

- Quadro Scalable Geometry Engine dramatically improves performance across a broad range of CAD, DCC, and scientific applications, enabling work to flow interactively with models and scenes that are more complex than ever before.

WS097AA

NVIDIA Quadro 410 512 MB Graphic Card

- PCI Express 2 low-profile form factor accelerated 3D graphics add-in card based on the latest GPU architecture from NVIDIA

A7U60AA/AT

NVIDIA Quadro 500M 1 GB Graphic Card

- GPU module designed using the MXM™ version 3.0 Type A specification
- Targeted for entry-level

B9C77AA/AT

NVIDIA Quadro 1000M 2 GB Graphic Card

- An MXM™ version 3.0 Type A (82 mm by 70 mm) form factor graphics add-in card based on the Quadro GPU

B9C78AA/AT

HP HDMI to VGA Adapter

- Converts HDMI signal from the notebook to analog VGA display
- Supports high-definition resolution up to 1080p and UXGA (1900 x 1200)

H4F02AA

Retail

HP DisplayPort to HDMI Adapter

- Converts the HP DisplayPort connector on an HP Business Desktop computer

BP937AA

HP USB Graphics Adapter

- Enables connection of up to six simultaneous displays
- Helps you boost your productivity and multi-task across several open applications

NL571AA/AT

HP DisplayPort to DVI-D Adapter

- Converts a graphic card's DisplayPort output to a DVI output for use with a Single Link DVI-D monitor

FH973AA/AT

HP DisplayPort to VGA Adapter

- Converts a graphic card's DisplayPort output to a VGA output for use with a VGA monitor

AS615AA/AT

HP DVI to VGA Adapter

- Converts a graphic card's DVI output to an analog VGA one

VE053AA

HP DMS-59 to Dual DisplayPort Adapter

- Supports up to two digital displays with the DMS-59 to DisplayPort adapter

XP688AA

HP DisplayPort Cable Kit

- Connects a HP DisplayPort connector on an HP Business Desktop computer

VN567AA

HP DMS-59 to Dual DVI Cable Kit

- DMS-59 to Dual DVI Cable Kit for NVIDIA NVS series graphic cards: supports AMO DY599A, EE061AA RD069AA, and AH050AA

DL139A/ET

HP DisplayPort to Dual Link DVI Adapter

- Converts a graphic card's DisplayPort output to dual link DVI

NR078AA

HP DVI to DVI Monitor Cable

- Connects to graphic cards and monitors that have a DVI connection with single link support

DC198A/AT

HP DMS-59 to Dual VGA Cable Kit

- Converts a DMS-50 graphic card output to a dual VGA support

GS567AA/ET

All Monster cables are retail products.

HP Monster™ High Speed USB cables

Up to 30% faster charging

- High speed rated: 800 Mbps
- Up to 1.5x bandwidth for rapid data transfer

H0E36AA USB - 3.1 m (7ft)
H0E37AA Mini USB - 0.2 m (0.5ft)
H0E38AA Micro USB - 0.2 m (0.5ft)

HP Monster™ USB 3.0 cable

Newest technology, ultra high speed

- Up to ten times faster than USB 2.0
- Maximum data transfer rate of 4.8 Gbps

H0E44AA 3.1 m (7ft)

HP Monster™ DVI-D Monitor cable

HD video resolutions

H0E39AA 2.4 m (8ft)

HP Monster™ High Speed HDMI cable

- 1080p high-definition video
- High-speed data transfer rate of up to 10.2 Gbps

H0E45AA 2.4 m (8ft)

HP Monster™ ScreenClean™

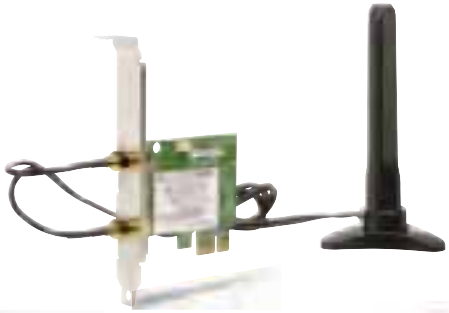
(for notebook PCs and displays)

Safely cleans screens

H0E40AA

High-performance connectivity solutions for your computer

HP provides complete, end-to-end gigabit, wireless, or dual port solutions for workstation or desktop customers. Improve your mobility by adding WWAN options to your notebook, or increase data transfer by adding USB 3.0 ports to your PC.



HP Wireless 802.11b/g/n PCIe x1 Card

Change workspace layouts quickly, efficiently.

- Adds users to existing networks easily
- 802.1x, WEP plus AES, and TKIP security encryption supported
- Available in full height PCI and low-profile PCI configuration

FH971AA/AT

HP NC360T PCIe Dual Port Gigabit NIC

High-performance connectivity solution for your LAN

- An end-to-end gigabit solution for workstation customers who demand the latest in dual port Gigabit Ethernet bandwidth and features
- Better network performance by alleviating congestion and removing bottlenecks
- Offers two ports on a single PCI Express Adapter, allowing you to save valuable I/O slots for other uses

KU004AA

Broadcom NetXtreme Gigabit Ethernet Plus PCIe NIC Card

High-performance connectivity

- No rewiring expenses: runs perfectly on virtually all existing CAT-5 cabling
- Better network performance by alleviating congestion and removing bottlenecks
- ACPI, WOL, and PXE—allows lower power consumption, remote wake, and remote booting

FS215AA

Intel® Gigabit CT Desktop NIC

Better network performance: alleviate congestion, remove bottlenecks.

- High-performance connectivity LAN solution
- ACPI, WOL, and PXE—allows lower power consumption, remote wake, and remote booting
- Interrupt moderation to significantly reduce CPU utilization and increase throughput

FH969AA

HP USB 3.0 4-Port SuperSpeed PCIe x1 Card

Increased data transfer and greater bandwidth

- Up to 5 Gbps data transfer rate—nearly 10 times faster than USB 2.0
- Capable of superior performance to transfer high-def content such as video and media
- Backwards compatible with any existing USB devices
- Includes four USB 3.0 ports (two external , two internal) and a USB 3.0 to USB 2.x/1.x adapter
- Fits conveniently in a half-height or full-height expansion slot

QT587AA

HP USB 3.0 SuperSpeed PCIe x1 Card

10x faster than USB 2.0

- Up to 5 Gbps data transfer rate
- Capable of superior performance to transfer high-definition content such as video and media
- Sync-N-Go Technology minimizes user wait-time
- Provides optimized power efficiency—no device polling and lower active and idle power requirements

BM867AA

HP Parallel Port Adapter

- Connects to external device such as printers
- Provides a parallel port support that can be used to connect to parallel interfaced devices

KD061AA

Creative Recon3D PCIe Audio Card

- Reduces latency and speeds up system performance with bus mastering (specification version 1.1 compliant)
- Accelerated digital effects processing with Sound Blaster Sound Core3D Audio Processor
- Professional Digital Audio Processing: 24-bit analog-to-digital conversion of analog inputs at up to 96 kHz sample rate; and 24-bit digital-to-analog conversion of digital sources to analog outputs
- Flexible Mixer Control, selectable input source from various audio sources for recording, adjustable master volume control, and independent volume control
- Features THX TruStudio Pro Technology and Sound Blaster CrystalVoice Technology

B0U68AA

HP un2430 EV-DO/HSPA Mini Card

Connects easily with wireless networks worldwide

- Provides connection to and permits roaming on wireless networks in many countries worldwide with integrated WWAN modules for select HP notebooks[1]
- Offers the speed of broadband and the coverage of 3G networks
- No protruding PC cards that can damage the notebook

QC430AA[2]

[1]Use of the WWAN module requires a user upgradeable notebook product and carrier service is separate. Some carriers will use different modules based on the technology required.
[2]Compatible with HP 8770w, HP 8570w, HP 8470w, HP 9470m, HP 2760p, HP 2570p, HP 2170p, HP 8570p, HP, HP 8470p, HP 6475b, HP 6470b, and HP 6570b Notebook PCs.

Why HP memory?

Exhaustive testing in HP systems across a broad range of environmental conditions and stringent specifications better ensure HP PC memory meets or exceeds applicable requirements. Source controls enable consistent application of HP testing and qualifications. HP provides full warranty and support so that you have one company to contact for your computer and memory needs and consistent warranty terms.

Notebook memory solutions

Optimize your HP Business Notebook performance with HP memory.

HP DDR3-1600 SODIMM

Easy, cost-effective way to optimize your HP Business Notebook performance

- Extend the life of your HP notebook by supporting operating systems and applications that require increased memory bandwidth.
- Support simultaneous opening of large files.
- Avoid system downtime, data loss, and financial impact caused by memory failures.
- Ensure quality with rigorous supplier qualification processes.

Convenient, affordable storage solutions

for those who require additional storage

Optical drives are an exceptional solution for creating, backing up, or archiving permanent data files on CDs, DVDs, or Blu-Ray media. Hard Disk Drives (HDD) offer easy low-cost back-up solutions without burdening network resources.
And Solid State Drives (SSD) significantly improve boot up, shutdown, and application loading times as well as overall application responsiveness.

HP USB DVD Drive

CD/DVD support and up to 8X USB-powered double-layer recording

- Provides an external companion optical drive to accompany a notebook or mini that does not have an internal drive
- Offers read/write functionality
- Connects to the computer through the USB 2.0 port
- Sleek and compact design in a durable aluminum casing
- Shares up to 8.5 GB of video, photos, and presentations on one double-layer disc

A2U56AA#ABB HP USB External DVDRW Drive
Retail

A2U57AA#AC3 HP Mobile USB NLS DVD Drive

HP 550s External Slim DVD-RW

- Compatible and versatile DVD
- No AC adapter required

H2T14AA
Retail

HP Upgrade Bay DVD RW

- User-removable, drawer-load data storage device that can write to CD-R, CD-RW, DVD+R, DVD-R, DVD+RW, and DVD-RW media
- Can read from any industry-standard CD and DVD media
- An exceptional solution for creating CDs and DVDs, and for backing up or archiving permanent data files on CD or DVD media

LZ835AA

HP SATA Blu-ray Writer

- Store up to 50 GB of data.
- Record and edit Blu-ray-quality video.
- Burn your own laser-etched disc labels with LightScribe.

AR482AA

HP Slim 8X SATA SuperMulti Drive

- Stores up to 8.5 GB of data or records up to four hours of DVD-quality video
- Fastest recordable technology available today for DVD burning
- Features the latest in double layer recording technology[1]
- Allows users to create DVD discs that can be played on most set-top DVD players and DVD-ROM drives

QS209AA

HP 16X SATA DVD-ROM Drive

- Reads from any industry-standard DVD and CD media
- Stores up to 8.5 GB of data (double layer)
- DVD-ROM read speeds up to 16X

AR629AA

HP 16X SATA SuperMulti Drive

- Stores up to 8.5 GB of data or records up to four hours of DVD-quality video
- Writes to all DVD formats including DVD-RAM
- Fastest recordable technology available today for DVD burning[1]

QS208AA

[1]Double Layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players.

Storage

HP Serial Attached SCSI 15K Hard Drives

High-performance alternatives to SATA hard drives

- Combine high-bandwidth and faster data transfer rates with better error detection and recovery.
- Get higher hard drive performance compared to typical SATA drives.
- Take advantage of better hard drive reliability compared to typical SATA drives.

VM647AA 600 GB SAS
LU968AA 450 GB SAS
LU967AA 300 GB SAS

HP SATA/SAS 10K SFF Hard Drives

Standard high-bandwidth hard drive storage options

- Most workstation models are also available with high-performance 10K rpm rotation speeds.
- Storage capabilities range up to a massive 1.0 TB.
- SMART hard drive technology allows hard drives to monitor their own health.
- These hard drives feature Native Command Queuing Self Encrypting Drive (SED) support.

B8X20AA/AT 1 TB SATA
B8X19AA 500 GB SATA
A2Z20AA 300 GB SAS
B8X18AA 250 GB SATA

HP SATA 6.0 Gb/s Hard Drives

Meet storage demands with high-capacity drives.

- Get next-generation technology with increased system cooling airflow, added bandwidth, and overall data integrity.
- Increase your data transfer rates up to 6 Gb per second, doubling your interface speed over SATA 3.0 Gb/s Hard Drives.
- Keep your hard drive's health in order with built-in SMART IV technology, which constantly checks the data flow from host interface to media, and media to host for compromises.

QK555AA 1 TB
QK554AA/AT 500 GB

HP SATA 6.0 Gb/s 7200 rpm Hard Drives

- HP Serial ATA (SATA) Hard Drives maximize the performance of HP Business PCs.
- They provide the technologies to meet increasing storage demands with high-capacity drives offering superior reliability and performance.

QB576AA 2 TB
LQ037AA/AT 1 TB
LQ036AA/AT 500 GB
LQ034AA/AT 250 GB

HP Primary SATA 7200 rpm SMART Hard Drives

Additional storage: Convenient and affordable

- Extend the life of your HP Business Notebook by providing additional storage.
- Get an easy, low-cost back-up solution without burdening network resources.
- Switch drives between most HP Business Notebooks.

H2P67AA 750 GB
AU098AA#AC3 500 GB

HP Removable Hard Drive Frame/Carrier

- The carrier holds the HDD and has a quick release handle for insertion/removal.
- You can install any HP supported 3.5" disk in the carrier.
- The enclosure with centered drive carrier ensures no interference with the workstation bezel.
- It features "Soft Start" circuitry, anti-static device protection, and a cable-less drive connector.

FZ576AA

HP Upgrade Bay 7200 rpm Hard Drives

- Extend the life of your HP Business Notebook by providing additional storage.
- Get an easy low-cost back-up solution without burdening network resources.
- Switch drives between most HP Business Notebooks.
- Take advantage of high-speed SATA data transfer.

H2P66AA 750 GB
LX733AA 500 GB

HP v300a Solid State Drive and Upgrade Kit

- Improves system performance for faster OS boot up and application loading
- 3K endurance rating for better storage reliability
- Better performance for faster access to stored data and programs
- Performance of up to 550 MB/s transfer speeds and 85K random IOPS for faster access to stored data
- Shockproof and durable with no moving parts

TBC[1] **Available in 120 GB, 240 GB, and 480 GB**

[1]Please contact your local HP Representative.

HP SATA Solid State Drives for Desktop PCs and Workstations

Store your data with a hard drive with no moving parts.

- Faster transfer speeds and higher cell endurance with Intel® NAND flash memory Multi Level Cell (MLC) components
- Significantly improves boot up, shutdown, and application loading times
- Enhances data integrity with improved protocol

LZ069AA/AT 300 GB
A3D26AA/AT 256 GB
LZ704AA/AT 160 GB
A3D25AA/AT 128 GB
QV063AA 128 GB

HP SATA Solid State Drives for Notebook PCs

Improve boot up/shutdown, application loading times, and overall application responsiveness using a hard drive with no moving parts.

HP SED Solid State Drive

- TCG/Opal-compliant self-encrypting drive (SED) for enhanced data security
- Faster transfer speeds and higher cell endurance with Multi Level Cell (MLC) NAND flash memory
- Features improved protocol for enhanced data integrity
- Data transfer rate up to 6.0 Gb/s maximum external (burst)
- Native Command Queuing that allows the drives to have several write or read commands outstanding at the same time

The right technology to prepare students for the future

Why HP education solutions?

Today's students are at ease with technology, using it in practically all aspects of their personal lives. HP brings engaging technology into the learning environment. So students can learn, educators can teach, administrators can make the most of their budgets, parents can be reassured, and schools can encourage student achievement.

All products on page 56 are available in retail.

HP Urban Backpack

- Features three main compartments and includes front pockets for easy access to your cell phone, keys, and notebooks
- Made of durable, heavy-duty nylon with plenty of lightweight padding
- Velcro-secured inner compartment to stop items shifting when in transit

XR343AA#ABB 43.9 cm (17.3")

HP Value Backpack

- Lightweight with plenty of storage
- Comfortable, with flexible shoulder straps and air-mesh back padding
- Great value for the price

QB757AA#ABB 40.6 cm (16")

HP Esteem Value Case

- Light, padded, and Velcro-secured interior compartment to keep your notebook safe
- Padded, adjustable shoulder strap to lighten the load while you're on the go

WT563AA#ABB 40.9 cm (16.1")

HP Notebook Sleeves

- Durable neoprene exterior to protect against everyday bumps and bruises
- Soft faux-fur interior that cradles your notebook
- Comfortable retractable handle to carry alone or slip inside your favorite bag

QB460AA#ABB Luminous Rose 40.6 cm (16")
QB461AA#ABB Ocean Drive 40.6 cm (16")
QB462AA#ABB Charcoal 40.6 cm (16")

HP 39gII Graphing Calculator

The graphic calculator for high school

- High resolution display
- Fast processor for quick display
- Intuitive menus in local language

NW249AA

HP SmartCalc 300s+ Calculator

The perfect "college" or middle-school model

- Familiar 4-line textbook format
- Advanced arithmetics
- 315 built-in functions
- Solar power with battery backup

NW277AA

HP 90W Universal Power Adapter with USB

Multi-brand, universal compatibility and convenient, built-in USB port: This versatile 90W adapter powers over 16 thousand laptops in the world regardless of make or model.[1]

- Works with virtually every brand of PC (Acer, Asus, Compaq, Dell, Fujitsu, HP, Lenovo, Samsung, Sony, Toshiba)
- 12 tips included for ultimate versatility
- Integrated USB port (2.1A) to simultaneously charge laptops and phones, tunes players, or tablets
- Built-in surge protection and third prong for grounding
- Velcro strap to keep cables tidy
- Free-of-charge tip replacements

H3A41AA*

HP Pocket Whiteboard

Turn almost any surface into an enhanced learning experience.

- Features a receiver that's compatible with virtually any surface, including standard whiteboards, flipchats, or walls
- Connects to a PC through a USB cable and captures strokes and taps made using a wireless stylus, facilitating access to additional software and online applications

A0X37AA#AC3

HP Digital Sketch

Capture learning as it happens from anywhere in the classroom.

- Allows users to perform familiar mouse functions and utilize all the features and functionality of standard software applications from anywhere in a conference room, classroom, or large meeting space
- Lightweight and compact, yet provides ample workspace for efficient desktop and program navigation and input
- Promotes interaction between presenters and audience, teachers and students

BU865AA

HP Notebook Managed Charging Cart

Movable yet durable for high-traffic areas

- Stores up to 20 or 30 notebook PCs securely
- Reduces your cable clutter with flexible routing guides
- Keeps your power adapters and Ethernet connectors safe in a separate locked compartment
- Uses smart-charging technology to reduce your energy consumption

QL489AA#ABB/ABU HP **20-Notebook** Managed Charging Cart

QL490AA#ABB/ABU HP **30-Notebook** Managed Charging Cart

*Four localization codes available: #ABB, #ABT, #ABU, #UUZ

[1]Works with virtually every brand of PC (Acer, Asus, Compaq, Dell, Fujitsu, HP, Lenovo, Samsung, Sony, Toshiba). 12 tips included for ultimate versatility.

It all adds up

with HP calculators

You can count on accurate, durable, and sophisticated HP calculators to meet your needs at school and at the office.

HP Education calculators

From middle-school math to rocket science, there's an HP Education calculator for every student.

All calculators on pages 58 and 59 are available in retail.

HP 39gII Graphing Calculator

The graphic calculator for high school

- High resolution display
- Fast processor for quick display
- Intuitive menus in local language

NW249AA

HP 35s Scientific Calculator

The ultimate scientific calculator

- RPN[1] and standard algebraic calculation modes
- Keystroke programming
- 30 KB memory plus 800 storage registers
- HP Solve[2] Equation saver
- Approved for use on FE and PE exams

F2215AA

HP 50g Graphing Calculator

Great for engineering and advanced math

- Ability to view solutions in 2D or 3D graphics
- SD card slot for expanded memory and data transfer
- RPN[1], textbook, and standard algebraic calculation modes
- Advanced Computer Algebra System (CAS)
- HP Solve[2] and HP EquationWriter

F2229AA

HP 40gs Graphing Calculator

The graphic calculator for high school with CAS

- User-friendly Computer Algebra System (CAS)
- Dynamic menu for easy navigation
- Saves and shares applets with unit-to-unit cable
- HP Solve[2] Equation saver
- Approved for most college entrance exams

F2225AA

HP SmartCalc 300s+ Calculator

The perfect "college" or middle-school model

- Familiar 4-line textbook format
- Advanced arithmetics
- 315 built-in functions
- Solar power with battery backup

NW277AA

HP 10s+ Scientific Calculator

Solve math and science problems quickly

- 240 built-in functions
- Solar power with battery backup
- Works with fractions, logs, decimals, exponentials, powers, and roots

NW276AA

[1]Reverse Polish Notation (RPN) is an efficient data-entry system that can significantly reduce keystrokes. More information is available at www.hp.com/go/rpn.

[2]HP Solve is a time-saving application that allows you to solve for any variable without rewriting your equation.

HP 12c and 12c Platinum Financial Calculators

Enhanced for professionals and students

- RPN[1] calculation mode
- Standard algebraic calculation mode (HP 12c Platinum F2231AA only)
- Calculates loans, TVM, NPV, IRR, bonds, depreciation, and more
- 120 time-saving functions
- Approved for CFA, CFP, and ERM and FRM exams[3]

F2230A HP 12c
F2231AA HP 12c Platinum

HP 10bII+ Financial Calculator

All-purpose financial calculator

- Calculates loans, TVM, NPV, and IRR
- Robust set of statistical, algebraic, and trigonometric functions
- Approved for CFP, FRM, and ERM exams[3]

NW239AA

HP 17bII+ Financial Calculator

The ultimate financial calculator

- Dynamic menu for easy navigation
- RPN[1] and standard algebraic calculation modes
- HP Solve[2] Equation saver
- Approved for CFP certification exam[3]

F2234A

HP 30b Business Professional Calculator

Feature-packed and programmable

- Programmable to quickly create custom calculations
- RPN[1] and standard algebraic calculation modes
- Advanced statistics functions
- Powerful math library including trigonometry, hyperbolic, and advanced probability functions

NW238AA
